# A Brand, A Signature .

Sahar Famouri's creations defy the limits of conventional furniture, exploring new shapes, and functionalities. Her unconventional visionary furniture challenges our preconceived ideas about what furniture can be.

# **A Bold Step Towards Redefining Modern Furniture Design.**

The versatility of the FID collection cannot be underestimated. The combinable furniture elements are designed to embody the essence of reinvention and are crafted to seamlessly adapt to various spaces, making them perfect for contemporary homes, offices, and beyond.

# Beyond standards, Combinable Visionary Furniture .

Enter the world of FID Paris, a French contemporary furniture brand embracing a new era in design. Explore our combinable and customisable collections, featuring architectural pieces that transform your furniture into an expression of your unique character. At FID Paris, we reinvent design norms with pieces that adapt to diverse spaces and stand out as impactful, timeless, and sustainable works of art.

# Designed to last, made for change.

Between contemporary minimalism and subtle luxury, each piece is meticulously designed to allow you to tell your story. More than just a furniture brand, FID Paris is an artistic statement that transcends conventions and breaks free from trend-imposed boundaries. The collections combine, blend, build, personalise, assemble, and disassemble according to emotions and spaces.

Our high-end contemporary furniture line, **Crafted for longevity and elegance**, blends unique design with comfort and practicality. Made from responsibly sourced wood and upholstery, each piece embodies simplicity, creating a cozy, warm, yet refined ambiance , an inviting retreat that harmonises with nature.

# Playful, evolving interiors .

Imagine spaces that become creative playgrounds: furniture that adapts and transforms as life unfolds.

What truly sets FID Paris apart is that its furniture isn't just lifeless objects; they are vessels of creativity. Each piece invites you to become the creator.

# Client as co-creator & tailor-made solutions .

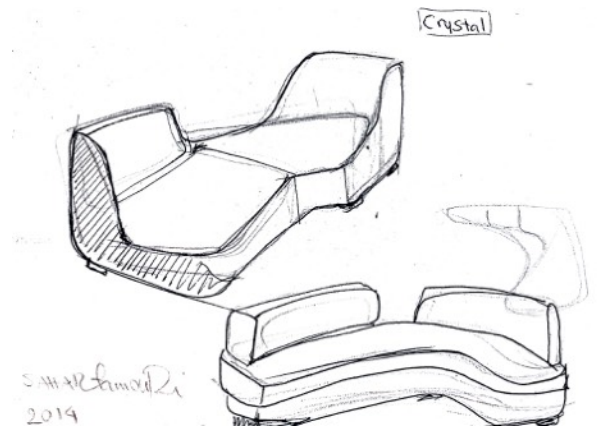

Backed by over 20 years of expertise, our design studio supports you from bespoke concept through turnkey production and delivery.

## Conception .

FID's identity revolves around a dynamic design approach, considering the entire lifecycle of a product, from its creation to adaptation within customers' homes.

## Fabrication .

The quality of craftsmanship and environmental respect remain one of FID main objectives. FID Paris promotes European manufacturing, and its strength and influence also stem from its alliance with passionate manufacturers and artisans who share the brand's goal: to design and produce harmonious, user-friendly, and sustainable furniture to enhance the quality of life.

# Durability.

Sahar Famouri incorporates eco-responsibility into her creative process, which goes far beyond the choice of materials and impacts her entire ecosystem with 100% European manufacturing. She edits and produces her furniture with the aim of making design accessible and improving quality of life.

The iconic creations of FID often incorporate organic shapes and textures from nature. Its use of sustainable materials and environmentally-friendly manufacturing methods aligns its work with the growing demand for environmentally-respectful design.

FID's commitment to sustainability further underscores its visionary approach to furniture, creating pieces that not only inspire but also contribute to a more harmonious relationship between humans and the environment.
